

Welcome

Whether you are a new or an existing client, we would like to thank you for choosing **Market Cross Veterinary Clinic**. Our aim is to provide the best possible health care for your pets in a pleasant, friendly environment.

We are committed to keeping abreast of the latest developments in modern veterinary practice – providing high-quality treatment at sensible prices. To enable pet owners to spread the cost of routine treatment, we have designed our own practice membership scheme – the **Healthy Pet Club**.

The best care for your best friend

Our Healthy Pet Club offers:

- Top quality licensed medication
- Regular checks and maintenance of good general health for your pet
- Convenient monthly payments for routine services
- Discounts on additional services
- Optional Accidental Injury Cover.

Prevention is better than cure!

- Our practice membership scheme provides pet owners with the support they need to help their pets stay fit and healthy.
- Regular visits mean that we have the opportunity to administer necessary vaccinations and dispense accurate and up-to-date worming and flea treatments. In addition, an overall clinical examination gives us the opportunity to carefully monitor the general health of your pet and offer advice, support and treatment planning, which in many cases may prevent problems arising in the future.
- Furthermore, the cost of maintaining the good general health of your pets is distributed throughout the year by making monthly Direct Debit payments – it couldn't be simpler.
- Whilst spreading the cost of routine treatments, all members then qualify for additional discounts on other items in the practice.
- Pets in the **Healthy Pet Club** can be covered for Accidental Injury up to £2,500 per incident up to a total of £5,000 in any 12-month period (an excess applies). This option is available for only a small additional charge per pet, per month.

The club provides your pet with:

- Full clinical examinations, twice per year, to include: General health | Ears | Eyes | Skin and coat | Heart and lungs | Weight | Dentition | Joints and muscles
- Annual vaccinations
- Worming treatments (sufficient for 12 months)
- Flea treatments (sufficient for 12 months)
- Treatment planning
- Dietary advice
- 10% discount on the normal costs for spaying and neutering
- 10% discount on the normal costs of diets and dental products purchased at the practice
- 10% discount on the normal costs of other anaesthetics and operations & x-rays
- Free weight clinics.

PLEASE NOTE: The discount is available to clients for the stated procedures undertaken at our practice, and at no other external clinics, private cremations, out-of-hours consultations or referrals.

Accidental injury cover

For only a small additional charge per pet per month, you can include Accidental Injury cover. This provides cover for the cost of treating accidental injuries up to £2,500 per incident, subject to an excess of £75.

Total claims in any 12-month period may not exceed £5,000. The cover is for treatment by our practice. However, if our practice is closed when immediate treatment is needed, or you and your pet are away from home (anywhere in the UK), then cover is extended to include the nearest available vet. Further details of cover are available from the practice.
